

American Angus Auxiliary

2023 Scholarship Application Requirements

General Information for Chairpersons and Applicants

The American Angus Auxiliary scholarships are presented annually. The total amount awarded will vary. Ten (10) scholarships will be awarded. The exact amount of the first, second, third, fourth and fifth place awards given to both male and female qualified applicants will be determined by May 1, 2023. Scholarships may be defined as financial grants for which no equivalent work is required.

Each state is entitled to submit one male and one female application for the national scholarships. The two applications must be submitted by the state or regional scholarship chairperson to the American Angus Auxiliary Scholarship Chairperson.

If your state does not have an Auxiliary State/Regional Scholarship Chair, a designated representative from the State/Regional Angus Association, or the State Junior Angus Advisors should submit the completed application. Please contact the American Angus Auxiliary Scholarship Chair with questions.

All scholarship applicants are encouraged to attend the National Junior Angus Show in early July.

The scholarship application is the basis from which the candidates are chosen to compete for Miss American Angus. Each female submitting a scholarship application will be required to complete a form declaring her intent to compete/not compete for Miss American Angus if given the opportunity. The five highest placing females choosing to compete for Miss American Angus will be announced at the National Junior Show. These females will be required to attend the Miss American Angus contest held in November at the Angus Convention. The intent form and additional information on the role and requirements of Miss American Angus will be mailed or email to each female applicant AFTER her scholarship application is received. *(Please note: choosing not to compete for Miss American Angus does not affect scholarship eligibility.)*

SCHOLARSHIP APPLICANT QUALIFICATIONS

1. Any unmarried female and unmarried male recommended by a state or region are eligible for the scholarships if she or he meets the other qualifications.
2. Applicants must have demonstrated an interest in Angus projects and have a part in such activities at the time of application. Applicants must be a member of the National Junior Angus Association, 3201 Frederick Ave., St. Joseph, MO 64506.
